

BLISS

BLISS

OVERVIEW.

One of the few sporty composite sailing yachts on the market today, BLISS is the ideal Bucket racer or performance world cruiser. Featuring a contemporary Design Unlimited interior with accommodation for up to 10 guests in three cabins.

Cool off in the fresh water spa pool on the foredeck, catch some sun on the large sunpads on the aft deck or enjoy the shade lounging in the cockpit, the deck layout on BLISS offers many areas to simply relax. For the more energetic, the aft swim platform provides easy access to the sea for a swim, a paddle on the kayaks, or a session on either the waterskis or the other watertoys.

Ideal accommodation for six guests but possibility to accommodate 10 guests (with children). The full width master cabin can be divided into a smaller master cabin plus twin bunk cabin arrangement. The 'his and hers' en suite bathrooms in the master cabin in full cabin mode become an en suite for the master and an en suite for the bunk cabin when the partition is in place. The two double guest cabins can be converted into two twin cabins with pullmans.

Key features
