BLISS

OVERVIEW.

One of the few sporty composite sailing yachts on the market today, BLISS is the ideal Bucket racer or performance world cruiser. The 36.7m (120.4ft) solent rigged sloop was built in 2009 by the New Zealand shipyard, Yachting Developments. During her recent 2019 refit, she had her main engines rebuilt and her hull freshly painted.

Her sophisticated exterior design and engineering are the work of Dubois Naval Architects. She was a finalist in the 2010 World Superyacht Awards for best sailing yacht in the 30-50m range. The deck layout on BLISS offers many areas to relax, from the large sunpads on the foredeck to the shaded cockpit.

Featuring a flexible contemporary interior by Design Unlimited, BLISS' full beam master cabin can be partitioned to create a smaller master cabin plus a twin bunk cabin. In this mode, the his and hers en suites in the master cabin become an en suite for the master and an en suite for the bunk cabin. Two double guest cabins can be converted to two twin cabins with pullmans to complete versatile accommodation for up to 10 guests in three cabins.

Key features

High performance composite world cruiser and Bucket racer

Contemporary Design Unlimited interior

Accommodation for up to 8 guests in 3 cabins

Winner of Showboats Design Award

Tenders

Castoldi 16 jet tender, Zodiac RIB with 8hp outboard engine
