BLISS

# OVERVIEW.

If you're looking for a smart, spacious, swift and stylish yacht for your charter holiday, BLISS ticks all of those boxes and more. Built by the elite Heesen shipyard and comprehensively upgraded in a total refit a few years ago, she's a 44-metre tri-deck vessel with a generous amount of living space, inside and out. Her bright and fresh interior is a delight, with iconic 1960s pop art and a finely crafted finish in luxury materials throughout. Her 24-knot top speed offers twice the cruising range of a typical displacement yacht.

Designed for up to 12 overnight guests in six beautifully finished cabins with service from a crew of nine, her versatile accommodation layout includes an upper deck lounge that converts into a second master suite. She is also ideal for hosting large daytime or evening events with up to 24 guests on board.

The sundeck is a notable highlight with its six-seat cocktail bar, sociable lounge, jacuzzi pool and sunbeds. There's also a stylish foredeck lounge with more sofas and sunbeds, two outside aft decks, a two-person sauna and a garage full of tenders and toys. These include a 12-metre chase boat, a super fast jet powerboat, high-spec SeaDoo watercraft, a SeaBob underwater scooter, inflatable tows, paddleboards and more. There's also a full set of gym equipment on board.

The main deck lounge is stunningly bright and elegant – a snug and cosy living room in normal use, with ample banquette seating for those times when you might want to invite extra guests on board for a larger gathering or party. There's also a nice big dining table facing aft with an excellent sea view through floor-to-ceiling glass.

Up front on the main deck, the master suite is bright and inviting with a clean, contemporary feel. There's a sofa on one side of the main cabin and the en suite bathroom has a bathtub as well as a large, separate shower and a beautiful marble finish. The sky lounge converts from a living and games room with a cocktail bar into a king size suite with elevated sea views, and the lower deck cabins – three doubles and a twin – are all bright and nicely finished, each with its own private en suite bathroom.
