BLISS

# APERÇU.

BLISS is a spectacular 44m Heesen motor yacht characterized by her striking black aluminum hull. A semi displacement, high performance yacht she is powered by twin MTU 16V 4000 M90 engines enabling her to reach speeds up to 25 knots. The yacht features contemporary and cool interiors designed by prestigious Icelandic designer Ingibjörg St. Palmadottir. She is maintained in mint condition and to the highest standards and represents the perfect combination of Dutch quality and class.

BLISS can accommodate 12/14 guests in five well-appointed cabins. Each cabin has its own unique design and style, ensuring guests can enjoy a welcoming and relaxing personal space to retreat to when on board. The upper salon can be converted to be used as an extra guest cabin with a Pullman king size bed. An elegant main salon forms the heart of the yacht; the large seating area and entertainment system is completed by a formal dining space, with circular table and leather seating, for enjoying sumptuous meals prepared by Bliss' talented chef. She can accommodate 10 crew members on board to ensure the best luxury experience.

## Principales caractéristiques

---

2 x MTU 16V 4000 M90

---

Accommodates 12 guests in 5 cabins

---
