BLUE EYES

APERÇU.

BLUE EYES is a highly customised Azimut Grande Trideck, presented in exceptional condition following a recent repaint and completion of all warranty works.

Designed for generous volume and refined living, she was specified with an additional VIP cabin providing a six-stateroom layout for 12 guests, including a standout upper deck VIP suite with panoramic windows. Interiors by Achille Salvagni combine contemporary elegance with a calm, residential feel, while her custom metallic exterior, penned by Alberto Mancini, lends a distinctive and assured presence on the water.

An extensive specification includes custom metallic paint, upgraded engines and generators, electric stern thruster and enhanced soundproofing. Her advanced D2P wave-piercer hull and strategic use of carbon fibre construction deliver impressive efficiency while allowing for exceptional interior and exterior volume.

Outdoor spaces are a defining feature. Four cascading decks connect seamlessly from the sundeck to a full-service beach club at sea level, creating a sense of flow and versatility that is rarely found in yachts of this class.

Offered in as-new condition with the advantage of immediate delivery, BLUE EYES represents a compelling opportunity to acquire one of the most comprehensively specified Tridecks available.
