

BLUE II

BLUE II

OVERVIEW.

Designed to evoke the carefree heyday of gentlemen's yachting, this modern classic will turn heads and win hearts in any anchorage. However, her retro chic disguises a yacht at the cutting edge of comfort and technology, with hybrid propulsion for lower emissions, vibration and fuel costs. She is an exquisite blend of yachting's spirit of freedom and state of the art features.

You awake in one of two master suites, one on the upper deck with 180 degree views forward and the other on the main deck. Head for the upper deck aft for a delicious breakfast before settling in the sun lounge aft to discuss the day's plans with the captain. If the morning heat is too intense, start the day in the air conditioned main saloon at the formal dining table and make plans in the lounge opposite.

After breakfast, the children race eagerly down to the portside swim platform where the deck crew has prepared all the watertoys for a morning adrenaline rush. Other guests may choose to work out in the gym, or for an easier start to the day, head for the sauna and hammam where there is a massage table too.

In the afternoon, while the captain sails you to the next amazing destination, enjoy a movie in the main deck cinema lounge or catch up on some emails in the private owner's office on the bridge deck.

As dusk falls in your new anchorage, take in the spectacular sunset with a sundowner in the foredeck lounge and toast another amazing day before sampling the chef's gastronomic extravaganza on the upper deck aft.
