BLUE MOON

APERÇU.

BLUE MOON features a five-cabin, all en-suite layout with impressive volume, offering private accommodation ideal for both cruising and entertaining.

She is a raised pilot house design yacht, with an elegant light blue hull enriched by a blue dragon graphic on both sides, which has been designed by Dobroserdov Design. The main deck features huge and comfortable spaces with full headroom opening sliding doors on the starboard side of the main salon. The main salon is a mixture of dark wood furniture and joinery, combined with precious upholstery and beige colored lacquered ceilings. The floor is made of Tabu lati chocolate parquet. A little bit forward the dining area finds place, with a large table for up to 12 people placed on centerline; behind this, a large decorative wooden panel of 4m x 2m enriches the area. Forward on the main deck is all about master cabin, taking the full beam of the yacht and featuring large side windows which give natural light to the whole environment.
