BOMBAY

APERÇU.

Delivered by Benetti for a discerning repeat Owner, BOMBAY (50m/164') pairs proven engineering with refined contemporary comfort.

Built in 2016 and comprehensively refit in 2023, she offers a transoceanic range of 3,660nm at 12 knots, ensuring stable and efficient cruising. Constructed with a GRP hull and aluminum superstructure, BOMBAY delivers excellent seakeeping, while a well-balanced exterior layout is tailored for seamless indoor-outdoor living.

Generous deck spaces, from the welcoming aft main deck to the expansive sundeck, provide multiple settings for dining, relaxation, and entertaining. Forward on the bridge deck, a private lounge with sun pads and a large hot tub offers open views in complete comfort.

Inside, BOMBAY reveals a bright, contemporary interior with clean architectural lines and impressive volume. Panoramic windows throughout the main salon and sky lounge invite abundant natural light, enhancing the onboard ambiance. The main salon features casino tables, offering an elegant setting for sophisticated onboard entertainment. The full-beam sky lounge serves as a versatile social space, with a media lounge, a bar and a dining area, equally suited to informal gatherings or more formal occasions.

BOMBAY accommodates up to 11 guests in 5 well-appointed staterooms. The main deck Owner's Stateroom is a defining feature, complete with a private structural balcony to starboard, a dedicated study, generous his and hers wardrobes, and a full-beam ensuite with separate facilities. Four additional guest staterooms are located on the lower deck.

Outside, a beach club and an extended swim platform enhance the connection to the sea, creating an inviting space for relaxation at water level and effortless access to water sports.

BOMBAY represents a compelling opportunity to acquire a pedigree Benetti with a recent refit, excellent range, and a highly sought-after layout.

Principales caractéristiques

Full beam master cabin with private balcony

Beach club and extended swim platform
