

BRAVADO

BRAVADO

OVERVIEW.

BRAVADO is a 44.9-metre masterpiece from the renowned German shipyard Abeking & Rasmussen, offering a charter experience defined by refined elegance and exceptional engineering. With her sleek profile, vast deck spaces and sophisticated interior, BRAVADO is the ideal platform for discerning guests seeking an indulgent escape on the water.

Her expansive exterior spaces are perfectly tailored for both relaxation and entertaining. The sun deck is the main selling point. Recently expanded, it features a jacuzzi surrounded by plush sunpads, a bar, and a shaded dining area—an inviting setting from sunrise to sunset. On the upper deck aft, there is a wide crescent sofa wrapping around the deck, meaning you can enjoy sunshine all day. For an alternative al fresco dining experience closer to the water, you can choose to dine on the main deck aft.

Inside, BRAVADO's interior is a study in timeless sophistication. Designed with rich wood panelling, soft lighting and elegant furnishings, the main deck lounge offers a comfortable space to relax, complete with a separate formal dining area with large windows allowing for abundant natural light. A second, more informal TV lounge provides a relaxed retreat, ideal for evening films, board games or simply unwinding with a drink in hand.

Accommodation is for up to 12 guests across six beautifully appointed cabins. The master cabin is located on the upper deck and features a private office, walk-in wardrobe, and a large en suite bathroom. The fully equipped gym is just aft of the master cabin overlooking the upper deck aft, meaning you can workout and enjoy views of the horizon as you start your day.

Below deck, two VIP suites and two twin cabins with additional pullmans are thoughtfully arranged for supreme comfort, all with en suite bathrooms and finished to the same exacting standard. A professional crew of 11 ensures a seamless and attentive service throughout your stay.

BRAVADO is equipped with a superb array of watertoys, promising excitement on every charter. Take to the waves on jetskis, explore the coastline by stand up paddleboard, or dive into clear blue waters with snorkelling gear. The Wajer 11.85m chase tender is well suited to bring guests comfortably ashore to dine in the nearest port.

Combining pedigree German build quality with warm, inviting interiors and an exceptional crew, BRAVADO delivers the ultimate charter experience.
