---

# OVERVIEW.

**BURRASCA 56m (184ft) allows you and your guests to enjoy the exhilaration of sailing without sacrificing any luxury. Cruising the azure waters of Greece, where reliable breezes are a near-guarantee that you'll get your daily sailing thrills, BURRASCA is pristine following a thorough refit in 2024. She is available for charter for the first time, having previously been used privately.**

You wake in the spacious master cabin with an en suite bathroom and his and hers dressing rooms. Will you prepare for the day with sunrise yoga on the foredeck, a workout in the yacht's gym followed by a steam room and sauna session, an open-air massage after a dip in the flybridge jacuzzi, or simply diving off the yacht's fold-down swim platform?

Whatever you choose, you can join your guests for a breakfast of freshly baked pastries, delicious smoothies, some local delicacies, and eggs just how you like them. Whatever you'd like, BURRASCA's chef will deliver.

During breakfast, the crew has been preparing the yacht's toy selection, all new in 2024, launching both of the yacht's tenders to enjoy the wakeboard, waterskis and tow toys, jetskis, SeaBobs, flyboard - the choices and the excitement are limitless. For a more peaceful start to the day, there is a SUP to explore the anchorage, a windsurfer to catch the morning zephyrs, and six sets of scuba gear to meet the marine life.

After lunch on the main deck aft, the crew rolls out the sails to harness the wind. While some of your guests relax in the yacht's air-conditioned lounge, you stretch out on a flybridge sun lounger as the yacht surges along.

With the sails away and the anchor down, you admire the beautiful bay and decide to head for an inviting taverna. As evening nears, you return to the yacht, where the crew has cocktails for everyone to toast the sunset from the flybridge lounge.

With a special occasion to celebrate, a sumptuous dinner is taken in the yacht's formal dining room, a meal that features the freshest fish – caught by the crew that day, and the finest produce sourced from the local market by the chef.

After dinner, party on the flybridge, play games in the main deck lounge or enjoy the sounds and scents of nature as you appreciate life, family and friendship on the main deck aft lounge. However you spend the evening, you get to live the dream again tomorrow.

## Key features

---
