CHARADE

# APERÇU.

**CHARADE's stand-out contemporary interiors were lovingly crafted by British studio, RWD. Emphasis was placed on creating a serene, yet lush and light interior feel. Very much a calm haven that in no way takes away from her sporty and sharp exterior coined by Stefano Righini. With stabilisers both at zero-speed and underway, powerful twin MTU engines and an ability to cruise between 17.5 and 22 knots, CHARADE promises a tranquil, smooth passage from location to location, with no compromise on speed.**

CHARADE invites you to bask in the inviting embrace of abundant natural light that streams through the expansive floor-to-ceiling windows, enveloping the yacht's main living spaces. Meticulous attention to lighting during the design phase has resulted in the use of elegant slim light panels throughout the yacht's interior. Moreover, the exterior RGB lighting system awaits your command, ready to cast the yacht in a captivating array of colours, setting the perfect mood for your journey.
