# OVERVIEW.

Launched in 2016, the 160' (48.80m) motor yacht CHASSEUR is a yacht to behold for visionary clients with a taste for the premium yachting experience. This superyacht was carefully constructed by renowned builder Christensen Yachts to the finest detail for the ideal on-water getaway. Outfitted with Quantum Zero Speed stabilizers, CHASSEUR ensures that guests can enjoy extensive cruising, relaxing in her lavish welcoming atmosphere. Her breathtakingly fashionable VARO interior spotlights soothing, unobtrusive qualities – elegantly decorated in a mixture of the finest polished woods from around the world across her walls and flooring. Her palatial interior skylounge, accented in velvety rugs, offers guests a full bar with plush seating and a card table for entertainment. For entertainment and dining, the formal dining salon features a custom-made Armani table and a splendid staircase with floating glass stairs

CHASSEUR contains six capacious cabins to serve as many as 13 guests aboard. Reminiscent of an NYC penthouse, the full-beam master stateroom features a personal office, his-and-hers walk-in closets and an immaculate en-suite bathroom. The creative VIP suite is outfitted with beautiful embellishments from Hermes and Jean-Michel Frank and a king-size bed. Masterfully designed, the VIP en-suite bathroom features Esmeralda green onyx detailing and under-floor heating to maximize guest relaxation and rejuvenation. The superyacht's remaining three guest cabins demonstrate the dedication of the builder to maximizing guest comfort, offering a variety of sleeping options, multiple entertainment amenities, iPad interfaces and their own en-suite bathrooms. Uniquely, CHASSEUR offers a large elevator that services every deck including the sundeck, a feature rarely found in yachts under 200 feet.

This yacht truly embodies the vision of her builders to optimize the ocean views via her spacious open-air sundeck with chic undercover dining and a saloon to harmonize both aesthetics and enjoyment. She features a massive spa with a perfect view of the water and opulent lounge areas with sunpads or optional shade. Aft of the sundeck, guests can enjoy water recreation with her expansive swim platform capable of hosting numerous tenders and toys. With her maintenance-friendly fiberglass construction and special class surveys completed, CHASSEUR is the perfect superyacht for many years to come.
