APERÇU.

This 50m (164ft) motor yacht was delivered by Benetti in 1996. She was the first yacht launched from their successful Golden Bay series. She is a fine example of this Italian company's elegant and timeless design. An extensive refit in 2015-16 included new decks, repaint, interior and technical areas.

The interior design is from the studio of Zuretti with the major refit done by Adrial Rollins. There is accommodation for 12 guests in six well-appointed cabins. A luxurious full beam owner's cabin and spacious VIP cabin are located on the main deck, while two double guest cabins and two twin guest cabins are found on the lower deck. The main saloon and sky lounge are finished with white oak floors, silk carpet and modern furnishings.

The main deck aft serves as a great welcoming area with an oversized sofa and lounge chairs. Up on the bridge deck aft you will find an al fresco dining option seating 12 guests. Aft of the dining table is a full beam settee and foot stools for digestifs after dinner. The sweeping sun deck provides entertainment and relaxation for all. A large jacuzzi with unobstructed 360-degree views is located forward with a fully equipped bar and sun loungers aft.

This full displacement, steel hull allows for a cruising speed of 14 knots and a maximum speed of 17 knots. With RINA classification, this yacht has only ever been used privately by experience owners and has been maintained to the highest degree.

Principales caractéristiques

Extensive refit in 2015-16

Accommodation for 12 guests in 6 cabins

Large jacuzzi on the sun deck

Large tender garage

White oak floors and silk carpets throughout
