COMO

# OVERVIEW.

COMO was delivered in 2014 by Heesen to critical acclaim. Her sleek and streamlined profile coupled with advanced naval architecture ensures enhanced performance fused with head turning aesthetics created by Frank Laupman who masterfully combined the Heesen feel with the owner's criteria.

She features the largest sun deck on a yacht this size. Every aspect of COMO has been meticulously thought out to create a seriously luxurious offering. Perfectly fusing fine Italian craftsmanship with the Heesen stamp of engineering excellence, COMO excels in all departments.

She accommodates up to 12 guests in six spacious cabins, including a master suite, three double guest suites and two twin guest suites.

Her twin 3,850hp MTU engines cruise at 18 knots with a range of 2,000 nautical miles. She has a maximum speed of 23 knots.
