

COSMICO

COSMICO

OVERVIEW.

If you have yet to experience a charter on board the game-changing Benetti Oasis 40, a series that has revolutionised yacht design in this sector, this is your chance to do so on COSMICO, delivered in summer 2024.

The feature that blows everyone's minds is the beach club, the 'oasis' that gave the range its name. The sides of the hull fold down to create a huge 90sqm sea terrace with uninterrupted views and an infinity pool at its heart.

Down a couple of steps from the main lounge level, there's lounge seating and a double sun pad right next to the pool. A couple more steps take you down to the swim platform with its hydraulic swim platform, which means getting into and out of the water is a step-free affair for young and old alike.

This is also where the crew will help you and your guests make the very most of COSMICO's impressive toy selection. It's also where you arrive on and leave the yacht for trips ashore in the brand-new Fjord chase tender.

Semi-circular smoked glass doors slide away to merge the beach club sea terrace with the main lounge, creating a single inside-outside space. Full-height windows also connect you and your guests with your surroundings while enjoying life together in the indoor dining table.

If you and your guests like to spend time outside, this is a yacht designed just for you. From main and upper decks, you can reach the foredeck sun lounge, which is a great place to spend some private time when you're in port moored stern to the quay. If you want to dine surrounded by the sights, sounds and scents of your anchorage, the upper deck aft is where you can enjoy al fresco dining at its best.

Up on the sundeck you can watch the sun set while enjoying a soothing soak in the jacuzzi with a drink from the sundeck bar, listen to the sounds of the sea as you relax on the daybeds shaded by the hardtop or take to the bar stool aft to enjoy the views.

The master suite, forward on the main deck, has huge picture windows either side, and you can enjoy the views from the vanity table to port or the armchair seating to starboard, perfect for waking up to the day with your morning coffee. Forward, you'll find your en suite with twin basins and a large shower room.

Your guests have a choice of four adaptable lower deck suites, including two double cabins, a twin cabin and a convertible cabin (double or twin), both of which have an extra berth.
