

CROSSBOW

OVERVIEW.

Sail away with speed and style onboard the stunning 31.7 m (104ft) cutter-rigged sloop CROSSBOW. Her flush deck and low coachroof design create a beguiling profile: streamlined, elegant and eye-catching. On board, the lack of deck clutter makes views from on deck fuss-free and far-reaching whether you're unwinding on deck or in the spacious guest cockpit. With long U-shaped inboard-facing seating, the guest cockpit is the perfect place to experience the power of this gracious yacht. CROSSBOW has a carbon fibre rig to enhance her performance and comfort.

With so much deck space available finding somewhere to relax is never a problem. The spacious guest cockpit is the social hub on deck. Here you can enjoy al fresco breakfasts, elevenses, lunches or dinners. You can rest in the shade, or on the vast rear sunpads and take time out from on-water activities like snorkelling paddleboarding, canoeing or being towed at speed on skis, a wakeboard, a kneeboard or inflatables.

For greater privacy, intimacy or more formal dining occasions, inside CROSSBOW there's a beautiful raised saloon. Styled with bleached oak, and with walnut and stainless-steel detailing, the saloon has 270 degrees of windows to give you and your guests a space flooded with natural light that offers amazing views. Her modern contemporary interior design is finished with off-white and coral red furnishings creating a lovely chic setting to enjoy. Opposite the dining area, to starboard, is a beautiful lounge area. Relaxing on the sofas, eye-level hull windows provide views for children and adults alike.

Ahead of the saloon is a convenient office space, again, a hull window to provide a stunning vista to enjoy from your desk. Opposite the charming office is a double guest suite with an en suite bathroom and a separate shower compartment. Ahead of this, and taking up most of CROSSBOWS forward volume, is the delightful master suite. With built-in sofa seating to port, and a desk area to starboard you'll have your private space to savour. Ahead of your suite is your private bathroom with en suite facilities and a separate shower compartment

Aft of the stunning saloon are two twin guest suites, both offering your guest refined contemporary comfort. Like all the guest suites on board, these have en suite bathrooms.

Wherever CROSSBOW and her highly-trained crew take you, you and your guests can expect a fantastic experience.
