

DA VINCI

DA VINCI

OVERVIEW.

If you are looking for a cutting edge cruising experience with a big dollop of celebrity glamour, DA VINCI is the perfect yacht. Built at Overmarine, the 50m Mangusta powers herself efficiently to 38 knots but also provides guests with lots of deck spaces and stunning interiors to enjoy.

Stepping on board DA VINCI, the first thing you will notice is her high-end décor. All of the guest areas are dominated by gleaming chrome and Italian marbles, paired with blonde oak flooring. Her luxurious open plan main deck saloon, for example, features a marble bar which offers sea views as well as a formal dining area bathed in sunrays from the overhead skylights. Comfort and entertainment are of course a key factor during any yacht charter, and DA VINCI provides ample cool social areas for both day and night.

The main deck aft is often a preferred spot for guests to socialise. Here you can perhaps enjoy a morning coffee on the sumptuous sofas as DA VINCI cruises comfortably through the waves. Once you have reached your first anchorage though, head down to the large swim platform where you will be able to access DA VINCI's toys with ease. Whether you want to mess about on the SeaBobs and waverunners, explore the surrounding coastline by kayak, or try some waterskiing and wakeboarding, DA VINCI's enthusiastic crew are on hand to show you how to have fun on the water.

Having worked up an appetite, lunch can be enjoyed on the main deck aft under the shade of the flybridge, or on the flybridge itself under the partial shade of the hardtop. Follow lunch with a dip in the spa pool on the foredeck. The most popular spot on board for catching rays, the foredeck has large sun pads and a further al fresco dining area that can be shaded by an awning when required, ideal for dining stern-to in complete privacy while moored in the harbour.

As the sun sets, head down to the lower deck to your cabin to prepare for the evening ahead. Designed with the perfect blend of chic opulence and contemporary innovation, guests will feel lavishly ensconced in luxury and comfort when they retire to one of five cabins, including a full beam master suite. Following a little downtime, why not join your guests at the bar for a pre-dinner cocktail while the chef prepares a delicious dinner for you to enjoy al fresco style on the main deck aft. After dinner, retire to the lounging area, sharing your stories from the day and making your plans for the next morning.

Key features

Exercise equipment

A good choice of exterior and interior dining areas

Jacuzzi on the foredeck

Zero speed stabilisers to reduce any rolling motion while at anchor
