DB9

APERÇU.

Power, pace and punchy styling, that's what you can expect from a charter on DB9. Along with island-hopping top speeds of over 30 knots, DB9 and her fun-loving, professional crew know how to show her guests an awesome time in so many other ways.

The sun deck is home to one of her two jacuzzis and there are plenty of lounges and daybeds to sunbathe and relax - or work up a sweat on the exercise equipment - as the world races by. There's another jacuzzi on the main deck aft, overlooking the large swim platform where the crew has the yacht's many toys ready to go, and a huge sunpad to stretch out on after your dip.

There's lounge seating next to the sun pad where you can enjoy an aperitif as the music plays while you wait for the talented chef's sumptuous gourmet experience at the open-air dining table just a few steps away. Serious swimmers will step out on the walkaround sidedecks to head for the foredeck where an inviting 8m (26ft) pool surrounded by sunloungers lays glinting under the sun.

Celebrate the sunset with your favourite cocktail in the foredeck lounge before taking dinner in the formal dining room. After dinner relive the day relaxing with your guests in the spacious main saloon or head up to the sun deck where the crew has set up the yacht's outdoor cinema.

DB9 has accommodation for 12 guests across her five luxurious staterooms. Located aft on the lower deck, DB9's full-beam master suite is accessed by a private staircase and features both a walk-in wardrobe plus a large en suite bathroom.
