

DEEP BLUE

DEEP BLUE

OVERVIEW.

Following an extensive refit in 2024, DEEP BLUE, one of the highly acclaimed Amels 180 series, stands in impeccable condition, enriched with new amenities, poised to offer an exceptional charter holiday experience.

DEEP BLUE provides comfortable accommodation for up to 12 guests within six well-appointed cabins, including a master suite and a twin cabin on the main deck, ideally suited for family charters. The lower deck features three double guest cabins and an additional twin cabin. The master suite is thoughtfully designed, featuring a private study and dressing room.

The main deck aft offers relaxed seating and direct access to the water-level swim platform, while the upper deck aft presents an exquisite exterior dining option for 12 guests.

The upper lounge of DEEP BLUE offers an abundance of natural light, making it a versatile space tailored for guest entertainment. This area is perfectly suited to accommodating movie evenings on the 85-inch HD cinema plasma screen.

The versatile sundeck hosts exercise equipment for morning workouts with a panoramic view. By nightfall, the sundeck transforms into a vibrant party venue adorned with disco lights and an impressive sound system.

Enhanced by an extensive selection of water toys, a vibrant and professional crew, and a variety of comfortable on board spaces, a charter on DEEP BLUE promises a complete scope of entertainment, ranging from exhilarating activities to serene relaxation.

Gleaming like new, DEEP BLUE is equipped to create sensational memories for you and your loved ones.
