DENIKI

APERÇU.

With her inviting contemporary interior, spacious outdoor living areas and unique massage waterbed, DENIKI offers fun, adventure and excitement for charter guests of all ages. She's absolutely sparkling after an extensive 2021-22 refit, which included a full repaint and a comprehensive refurbishment of her main deck lounge and master suite.

The welcoming main deck lounge has warm mahogany panelling and parquet floors with intricate Doric inlays. A shimmering gold ceiling panel lends a sense of grandeur, while cream-coloured sofas and blinds are an invitation to relax. The sky lounge also features the warmth of wood with beautiful marquetry and burnished wood floors, while the cream upholstery sets off the pops of blue in the bureau's chairs. Guests can relax here, or move out to the heated aft deck with its spacious dining area and comfortable seating.

A jacuzzi forms the focal point of the sun deck and is flanked by a large expanse of luxuriant sun pads. Take refuge from the sun under the elegant manta-winged mast arch and enjoy a long, shaded lunch at the open-air dining table or a cool drink at the bar. The relaxing massage waterbed aft - DENIKI's premier attraction - is easily operated at the touch of a button.

The master suite's divan, headboard and office chair are in luxurious crocodile hide and bookmatched cherry wood panels either side are set off by the cream fabric lining behind the bed. The lounge and study area can be sectioned off from the bedroom by sliding doors. The suite also includes a walk-in wardrobe, en suite bathroom and private gym with sauna and steam room/shower. The rest of the guest cabins, three doubles and a twin, have a calm, relaxing ambience and are situated on the lower deck.

The low swim platform at the stern provides easy access for bathing and forms the perfect launch pad for DENIKI's array of watersports equipment.
