

DIONEA

DIONEA

APERÇU.

If you're searching for a graceful classic yacht with a dramatic presence, a vast amount of deck space and a beautifully crafted modern minimalist interior, look no further, you've found her. DIONEA is a 52m yacht with tri-deck accommodation and iconic exterior styling. She's designed to host 12 overnight guests on board with a nine-strong crew, and is ideal for staging large-scale events in harbour.

From the perfect sheer line of her main deck and the elegant flare of her bows to the proper ship's funnel and the slanted mullions supporting her upper aft deck, she has all the hallmarks of a true classic. Built in the 1960s as a passenger vessel, she was converted in a transformational refit 20 years ago to become a unique private yacht with a very high standard of finish throughout.

One of her stand-out features is the enormous amount of space she offers – enough to easily host a cocktail party for 120 guests in port. In cruising mode, all that outside living space becomes a great luxury for charter guests on board. When she's anchored, her state-of-the-art stabilisers reduce any rolling motion to a minimum so that all guests can fully enjoy their time on the water. Low fuel consumption is another great feature.

DIONEA's interior combines a carefully curated selection of design classic furniture with some well-preserved original features and a complete absence of clutter, creating a warm and inviting, clean and bright ambience. There's an impressively stylish range of living spaces from the large, sociable main deck saloon and the spacious, separate dining room to the beautifully appointed cabins.

The master suite has an elevated position on the upper deck, aft of the wheelhouse, with a stylish en suite bathroom and direct access to her vast outside decks. There's also a VIP suite with a sofa, two large doubles and two twin-bed cabins, all with private en suite bathrooms.

She carries three tenders, including two stylish classic launches to transfer her guests from ship to shore, and is very well equipped for watersports. Her inventory of toys includes four Sea-Doo wave runners, a SeaBob underwater scooter, water skiing and wakeboarding gear, many inflatable tows, kayaks, an aqua gym and more.
