DOKINHA

OVERVIEW.

Step aboard DOKINHA, the epitome of modern luxury, where breathtaking design meets unparalleled performance. Launched in 2024 by Overmarine Group and designed by the visionary Alberto Mancini, her sleek exterior lines and sophisticated, contemporary interior promise to redefine your charter experience.

Accommodating up to 12 guests, DOKINHA boasts six exquisitely appointed suites. The main deck master suite is a sanctuary, featuring a private balcony on the starboard side, an electric fireplace, and luxurious his-and-hers bathrooms. The full-beam VIP suite, accessed by a private staircase offers the utmost in privacy and comfort, while the other guest cabins are spacious and individually styled.

The yacht's expansive interiors are bathed in natural light, with floor-to-ceiling windows providing stunning views. The seamless flow between indoor and outdoor spaces gives a feeling of openness throughout the yacht.

The foredeck features the largest infinity pool ever created by Mangusta, offering semi-submerged sunbeds. For those seeking more excitement, the sun deck is a vibrant space for entertainment, complete with a jacuzzi, an al fresco dining area, and workout equipment.

The beach club on DOKINHA is a true retreat, offering fold-out terraces on three sides that connect guests directly to the water. With teak wall panelling, built-in towel rails, and comfortable loose seating, this space is ideal for lounging, diving into water sports, or simply enjoying the close connection to the ocean. Zero-speed stabilisers guarantee a smooth and comfortable experience whether at anchor or cruising. A towed tender is also available to explore nearby destinations with ease.
