# APERÇU.

**DRAGON is a 36.9m (121ft) motor yacht built by the French shipyard Couach. Built in 2009, she features an interior design by Timo Welauffer and exterior lines by Couach.**

The ultimate choice for speed and style, DRAGON accommodates up to 12 guests in 6 plush staterooms, including two master suites, a VIP suite, guest double cabin and two twin staterooms with one Pullman berth each. Each guest cabin is equipped with en suite facilities.

Fully refitted in 2017, DRAGON offers numerous water toys, state-of-the art communication facilities, and a Jacuzzi and bar on the fly bridge for perfect leisure. Sophisticated and sleek, guests may dine alfresco under the stars while a professional crew of 8 take them on a cruise of a lifetime.

During the refit, she saw extensive work completed on her hull, teak decking, layout and interior soft goods.
