

DUNIA BARU

DUNIA BARU

OVERVIEW.

DUNIA BARU, meaning ‘new world’ in Indonesian, offers another kind of charter experience, away from the yachting destinations of old. The onboard cruise director will tailor the yacht’s itinerary to the guests’ preferences and her experienced crew have exclusively cruised in the region building up an enormous wealth of local knowledge of areas such as Bali, Komodo and Raja Ampat. A trip on board DUNIA BARU is the best way to discover everything Indonesia can offer including heritage, culture, wildlife and much more. In particular, DUNIA BARU is a diving enthusiast’s dream, equipped with 14 full sets of scuba diving equipment and onboard dive specialists who will introduce guests to the local area: a diver’s paradise which is incredibly rich in diverse marine life. There is even the option for guests to do their PADI dive certification during their time on board.

To charter DUNIA BARU is to immerse yourself in the exotic magic of Indonesian culture at every level, from the yacht's traditional Phinisi design to the symphony of flavours prepared by the onboard Chef, best enjoyed around the sociable Teppanyaki grill on deck. Expansive outdoor spaces connect you to the remote beauty of the surroundings while the recently refitted, bespoke interior design, by the renowned team behind the prestigious Aman resorts' private yacht, provides a restful environment in which to truly unwind.
