OVERVIEW.

This innovative flagship of the Dynamiq GTT range is designed for those seeking the ultimate superyacht that caters to all possible desires. She is one of the most voluminous 50-meters in her class on the market, with plenty of luxury zones, five spacious guest staterooms and an impressive owner's suite. She features a dedicated Spa zone with sauna and gym in the aft, as well as a class-leading, two-tiered beach club with folding bulwarks to truly maximize space. Her sundeck is multizonal and multifunctional, with an incredible outdoor cinema lounge.

Engineered in the Netherlands by the renowned naval architects Vripack, the GTT 170 has a robust, fast-displacement hull built from an aluminium alloy, making her a super-efficient ocean-going machine with a range of 4,500 nm. Combined with her 2-meter (6'5") draft, she's a real two-season yacht with access to any remote areas in the Med and the Caribbean. Due to her truly innovative engineering, she's also super economical and fuel-efficient, with main engines 40% smaller than her peers while maintaining the same performance parameters. The GTT 170 complies with the strictest commercial requirements, ensuring impeccable safety and the possibility of commercial charter operations. Whether you're looking for a charter boat, a family yacht or to travel the world, this is the universal yacht that you're looking for.
