

ECLIPSE

ECLIPSE

OVERVIEW.

Meticulously maintained and refitted in 2011, ECLIPSE has established an excellent reputation on the charter market. Built by the reputable Dutch yard Feadship, this well maintained classic attracts repeat guests thanks to her long-standing crew, extensive range of toys, exterior deck space and leisure equipment.

Split over three deck levels, exterior space is in abundance. ECLIPSE's open sun deck offers an impressive jacuzzi with wet bar, a semi-covered aft deck with space for al fresco dining and a swim platform designed to give guests easy access to the sea. Sunbathing areas include the daybed on the bow forward of the wheelhouse with the best views.

The main deck lounge offers guests dining space for eight, a large sofa and full bar. The full beam main deck master suite has plenty of space with seating, a dresser, walk-in wardrobe, a private study and a bathroom with shower and jacuzzi - rare for a 43m yacht. There is also and a children's cabin with single bed and pullman berth - great for families with young children.

Generous guest accommodation is located on the lower deck. There are two double cabins forward on this deck and the port side cabin can convert into a twin if preferred, and two twin cabins aft, all cabins have dressers and en suite shower rooms. A total of 12 guests can be accommodated across this flexible six cabin layout.

The elegant sky lounge is where guests love to relax, watch one of the multiple movies available on the large TV, make use of the card table or one of the many 'after dinner' games. Just for children (of any age), there is Wii Sports Island and Resort and a wide variety of games for when they aren't splashing about on the yacht's water toys.

She is very stable underway and at anchor and has two large tenders, exercise equipment and an approved RYA training centre for personal watercraft, there is nothing missing. A reliable choice at a very competitive rate.
