ELADA

# OVERVIEW.

ELADA is a 45m (147') Bilgin motor yacht that seamlessly blends bold contemporary design with a refined, timeless interior. Inspired by Motor Yacht M by H2 Yacht Design and delivered by the Bilgin Shipyard, ELADA features a striking reverse bow, strong clean lines, and a subtly softened superstructure following a five-meter lengthening. Blue-painted accents selected by the owner give the yacht a highly personal signature. Inside, classic luxury prevails, with high-gloss veneers, hand-finished ribbed and scalloped wood detailing, and decorative indirect lighting throughout. Accommodations include double and twin guest cabins with Pullman berths, a lower-deck VIP, a full-beam owner's suite with office, skylight, and backlit onyx bathroom, plus a convertible skylounge that functions as a second owner's cabin. Expansive deck spaces, large windows, a folding transom beach club, and bridge-deck dining for twelve ensure exceptional volume, light, and livability.
