

ELENI

ELENI

APERÇU.

Built in 2005 by CBI Navi, the 50m (164ft) ELENI blends the refined elegance of a gentleman's club with spectacular, traditionally styled interiors by Luca Dini and spacious al fresco living areas for fun on the water. Refitted in 2018, she accommodates 12 guests in six spacious cabins, including a full beam master suite with office and two VIP cabins. Step on board this spacious motor yacht and enjoy a fun-fuelled charter with her exceptional crew of 13.

However you wish to begin your first morning on board ELENI, weather permitting it should be outside taking advantage of your beautiful surroundings both on board ELENI and the destination around you. The sun deck is the hub of this luxury charter yacht during the day. Here the jacuzzi is flanked by oversized sun pads, while aft is a large lounging area with sofas and clamshell awning daybeds. Spend a relaxing few hours up here while your crew prepare lunch to be enjoyed on the upper deck beneath the shade of the sun deck overhang. Aft of the large dining area is a comfortable seating space where you might like to relax with a book, or join the other guests on board and make plans for the afternoon ahead.

The large and bright main saloon and sky lounge are finished in rich woods with light fabrics and furnishings. Devoid of clutter, they provide a calm and relaxing space to escape the heat of the midday sun or to relax during that twilight period between sundowners and dinner. Some guests might prefer to take full advantage of all the amenities both on board and in the water. ELENI offers an array of water toys including Sea-Doo jetskis, SeaBobs, waterskis and wakeboards. She also has the latest inflatables including a large inflatable slide, providing fun for all the family. Other guests might prefer to head up to sun deck, where the glass-enclosed and air-conditioned gym affords panoramic views that should inspire your workout.

Whether you have worked up an appetite or not, dinner is always a special occasion when prepared by ELENI's Michelin trained chef, whose style of cooking is classical with a modern twist. Choose to dine al fresco on the upper deck, or change it up with dinner in the main deck dining saloon. Finish off your first day on board with a nightcap on the main deck aft, where sumptuous sofas will leave you fully relaxed and ready for a deep slumber in your luxury cabin.
