ELENI

OVERVIEW.

ELENI is the ideal gentleman's charter yacht for cruising the Western Mediterranean. Whether with family or friends, she offers spacious decks and open plan living spaces, with all the amenities and capacity of a much larger yacht - and at an excellent price point.

ELENI welcomes 10 guests aboard for your charter, in five elegant staterooms. The accommodation comprises a master suite, two double cabins and two twin cabins. This configuration gives you the maximum flexibility to ensure that everyone is comfortable.

When cruising from port to anchorage you will experience the smoothest passage as ELENI has been awarded the RINA special certification for extremely low noise and vibration levels. She also boasts zero speed stabilisers to reduce any rolling motion while at anchor. These features optimises your sailing experience so you can all relax and enjoy exploring your cruising grounds.

Refitted in 2026, she has been meticulously maintained by the current owners. Her interior is neat and sophisticated, she has high deck ceilings and has huge volume with an almost an 8m beam, very rare for a yacht of her size.

ELENI also comes with a 10m Sea Water Phantom Chase tender, a huge selling point and something that is always greatly enjoyed by guests.
