EMIR

# APERÇU.

**Fresh from an extensive 2022 rebuild by Golden Yachts, EMIR is a pedigree superyacht originally constructed by Mitsubishi Heavy Industries, seamlessly blending proven transoceanic capability with exceptional volume, pedigree construction, and proven global cruising capability.**

With an impressive 1,809 GT and full PYC compliance, she presents a rare opportunity in today's market: a high-volume, world-cruising yacht capable of accommodating up to 28 guests in 14 staterooms. Her expansive beam and commanding profile translate into remarkable interior spaces, making her ideally suited to private use or chartering. With a successful charter record and a broad charter appeal, she is equally suited to large families and high-end corporate/event use.

At the heart of her accommodation is a standout Royal Master Suite bathed in natural light through floor-to-ceiling windows, complete with private balconies and a striking central skylight positioned above the king-sized bed. An Executive Stateroom, two exceptional VIP suites, and a collection of additional versatile guest suites ensure that every guest enjoys the highest level of comfort and privacy. The yacht's thoughtful layout and generous proportions create a sense of openness rarely found in vessels of this size.

EMIR's amenities include expansive entertainment decks, a state-of-the-art outdoor gym on the bridge deck, and a multifunctional spa room equipped with the latest beauty and wellness technology. Evenings are elevated in the dedicated cinema room, where plush seating surrounds a cutting-edge 8K Mini-LED screen.

Outside, the sundeck hot tub provides the perfect vantage point for sunset cocktails, while the outdoor lounge and dining areas on the upper deck offer privacy, comfort, and spectacular views.

Engineered for global cruising, EMIR combines comfort and capability with stabilizers, comprehensive air conditioning, high-speed connectivity, and even an onboard medical room equipped with advanced supplies including defibrillators and an ECG machine. EMIR stands as a proven, award-winning platform with exceptional versatility.

Offering scale, pedigree construction, and refined contemporary upgrades, EMIR represents an outstanding acquisition opportunity for an Owner seeking a high-volume superyacht with global reach, impressive guest capacity, and an unmatched array of lifestyle amenities.

## Principales caractéristiques
