

EMOCEAN

EMOCEAN

OVERVIEW.

Calling all design aficionados, EMOCEAN is a yacht that will delight your senses. Chic and subtle yet alive with Italian style, the 2021 Rosetti-built superyacht stands apart from the crowd from the moment you step foot on the aft deck. Tropical plants provide pops of colour as do the aqua tones of turquoise, inside and out, while the choice of eco soft furnishings made from recycled ocean plastic set the interior tone.

On entering the main salon, enjoy a glass of crisp Sauvignon Blanc served straight from the striking 150-bottle, crystal-fronted wine cellar. Its lavish design is as much of an eye-catching art installation as it is a functional chiller. The phenomenal display cabinet separates the aft seating from the formal dining for 12 by way of a walkthrough lit by ambient LED strips.

Take flight to the bridge deck where further seating and a cocktail bar lead directly out to the bridge deck aft. Providing sunshine and shade in one gorgeous arrangement, it's the hub of entertaining. That said, the wow factor is reserved for the 100msq sun deck, where long, lingering barbecue lunches bleed into the afternoon, fitness workouts – including a slim beam Pilates IQ reformer and running machine – take place against yawning views, and cocktails are served at sunset. A 3.5m infinity pool is the piece de resistance, while sliding glass doors create an ambient winter garden for year-round enjoyment regardless of location.

Paired with efficient cruising, floor-to-ceiling windows and 350sqm of deck space, EMOCEAN is a cutting-edge yacht that welcomes 12 guests to unwind at sea together. The full-beam owner's suite forward on the main deck comes equipped with a private office and ensuite bathroom. Enjoy intimate breakfasts or midnight cocktails on the private owner's balcony.

For those who love to lounge, beanbags, oversized cushions and a grand three-seater sofa sit in prime position on the beach club. Spend your days by the water's edge, plunge headfirst into the sea in just a few short strides, or idle away the days on the assortment of water toys. For after dinner drinks, the Portuguese bridge provides a cosy change of scenery.

Suitable for ocean crossing and long periods of living onboard, EMOCEAN is primed for limitless adventure. With an impressive 5000 nautical mile range, she's the ideal yacht for scratching that wanderlust itch.
