

EMOTION²

EMOTION²

OVERVIEW.

Launched in 2007 by CRN Ancona to a revolutionary design by Zuccon International Project, EMOTION² was followed by eight sisterships. Its pioneering features, including the beach club, gym, sauna, side entry tender garage, and large stateroom windows, were industry firsts, now widely copied. Meticulously maintained, she has undergone refits in 2012, 2017, and 2024, and has been under the same management with the same captain for over 10 years. EMOTION² has proven to be one of the most successful charter yachts, and welcoming many repeat clients every year.

EMOTION² has been cleverly designed to maximise space. Zuccon International Project designed both her exterior lines and her cool, contemporary interior. Fusing cherry wood with a neutral colour palette and adding splashes of red in her soft furnishings, she has a relaxed and inviting aura, ideal for an intimate charter with family and friends. She offers accommodation for up to 10 guests across five cabins in a configuration of one full beam master suite located on the main deck complete with walk-in dressing room, a private balcony and an adjoining office, two VIP suites, one double and one twin on the lower deck. She has multiple entertaining options across her three decks including a sizable upper lounge complete with its own bar, state-of-the-art entertainment system plus a covered al fresco dining area seating 10. Her sun deck is the place to relax with a choice of jacuzzi, sun pad area, adjoining bar and outdoor cinema with 70" drop down TV screen plus the latest sound system. On the main deck, formal indoor dining is a cosy affair around a sophisticated glass table, on deck a breakout area is perfect for relaxed after dinner cocktails.

For the ultimate charter experience, EMOTION² offers a plethora of water toys for lazy days spent out at anchor.

Key features

9.9m Boston Whaler 320 Outrage with 600hp outboard engines
