

EMOTION ²

OVERVIEW.

Launched in 2007 by CRN Ancona, EMOTION² represents a revolutionary design by Zuccon International Project, setting a new standard in superyacht innovation. This extraordinary vessel, followed by eight sisterships, introduced a range of pioneering features, including a beach club, gym, sauna, side entry tender garage, and large stateroom windows - innovations now widely emulated. Meticulously maintained through refits in 2012, 2017 and 2024 and under the same dedicated management and captain for over 10 years. EMOTION² has established herself as one of the most successful charter yachts, welcoming numerous repeat clients annually.

Zuccon International Project's clever design maximises space, creating a cool, contemporary interior that complements sleek exterior lines. The fusion of cherry wood with a neutral colour palette, punctuated by splashes of red across her soft furnishings, creates a relaxed and inviting atmosphere, ideal for an intimate charter with family and friends.

EMOTION² offers accommodation for up to 10 guests across five luxurious cabins. The full-beam master suite, located on the main deck, boasts a walk-in dressing room, private balcony and adjoining office, offering an unparalleled standard of privacy and comfort. Two VIP suites, a double cabin and a twin cabin on the lower deck offer plenty of space for guests to feel comfortable.

Entertainment options abound across EMOTION²'s three decks. The sizable upper lounge, complete with its own bar, state-of-the-art entertainment system, provides the perfect setting for social gatherings in unbeatable luxury. A covered al fresco dining area seating 10 offers a delightful space for enjoying meals outdoors. The sun deck is the place to relax, featuring a jacuzzi, sun pad area, adjoining bar and an outdoor cinema with 70-inch drop-down TV screen plus the latest sound system. On the main deck, formal indoor dining is a cosy affair around a sophisticated glass table, while a breakout area on deck is ideal for relaxed after-dinner cocktails.

For the ultimate charter experience, EMOTION² offers a plethora of water toys for lazy days spent out at anchor.
