

ETERNITY

ETERNITY

OVERVIEW.

To be on board ETERNITY is to truly experience the lap of luxury. This 65m (213.2ft) superyacht was delivered in 2011 by Codecasa and had a top-to-toe interior and exterior refit in 2018, with upgraded systems and a full repaint. Stylish and spacious, ETERNITY tempts you to step on board.

She has expansive deck spaces, with multiple options for sunbathing and spending a lazy day lounging around enjoying the spectacular views of your charter destination. A congenial semi-circle sun deck bar features swivel stools and a large TV to enjoy sports and Netflix's latest gripping series. A 5.2m (17.3ft) foredeck jacuzzi doubles as a resistance pool. Stay in shape with the dedicated sun deck gym with all the equipment you could need, from punching bag to yoga mats. An extensive array of watertoys including an inflatable 2m swim platform extension will mean that the ocean is your new best friend.

ETERNITY's interiors are modern and trendy, and the thoughtful design touches pop with character. The interiors are complimented by the art on the walls, all of which is available for purchase and is updated twice annually. You never know, you could return home with a new favourite artist. A roomy and relaxed main lounge has a separate media area as well as a bar, so guests will be kept entertained. A four-person elevator serves all decks, making transportation a breeze.

Seven cabins accommodate 12 guests, all with marble ensembles containing a bath and shower. The gorgeous master cabin benefits from a fold-out balcony for never-ending sea views, as well as a jacuzzi tub, steam shower and his-and-hers closets.

Eye-catching and luxurious, ETERNITY is the perfect charter waiting to happen.
