

FIFI

FIFI

OVERVIEW.

Stepping aboard FIFI, the 140' (42.67m) Custom Line, Brand new, Launched in 2025, feels like entering a world of fun, adventure and sophistication. FIFI is perfect for families, friends or anyone seeking a charter packed with all the bells and whistles. From her expansive decks to her welcoming interiors, every detail has been thoughtfully designed for maximum comfort and enjoyment.

The main salon offers an elegant atmosphere, complete with a large L-shaped couch and a floor-to-ceiling sliding door that opens to a fold-down balcony. This unique feature blurs the line between indoor and outdoor living, creating a seamless flow to her open-plan layout, where a formal dining area awaits. Above, the sky lounge offers another area for relaxation, featuring cascading glass doors that lead to a spacious aft dining deck, ensuring every moment onboard feels connected to the cruising grounds.

FIFI accommodates up to 10 guests across five stunning staterooms. On the main deck, the master suite features a central king-size bed, a walk-in closet and dual ensuite baths joined by a spacious, multifunction shower. The lower deck hosts three VIP cabins with queen beds and ensuites, alongside a twin stateroom equipped with an additional pullman, all designed to offer a peaceful retreat after a day of exploration. Each cabin is fitted with the same contemporary styling seen across the rest of FIFI, with touches like faux-fur blankets, pops of blue and marble accents in the bathrooms.

FIFI truly shines with four expansive decks offering endless opportunities for entertainment and relaxation. The sundeck is a standout, featuring a large Jacuzzi, a sit-at bar and ample lounge areas. The skylounge aft offers a large rectangular dining table comfortably seating 10, with cascading doors joining the interior with outside. The foredeck is another inviting space, with a U-shaped sofa and a large sunpad, ideal for alfresco dining or sunset views. The aft deck and swim platform extend the fun right to the water's edge, with waterside seating and a treasure trove of toys ready for adventure.

Designed with both luxury and practicality in mind, FIFI features thoughtful touches like floor-to-ceiling cascading doors, expansive lounging areas and a fold-down transom that transforms the swim platform into a beach club complete with a floating dock. With a fun and charismatic crew of seven who excel at creating memorable experiences, FIFI ensures every moment onboard is extraordinary.
