FLY BOYS

APERÇU.

Delivered in 2002 by the well-known American shipyard Hargrave, FLY BOYS is a 29m (95ft) motor yacht of composite construction from the successful Hargrave 95 series. With naval architecture and an exterior design by JB Hargrave Yacht Design, FLY BOYS features classic lines with a raised pilothouse and spacious exterior decks. Her interior, courtesy of Yacht Interiors by Shelley, underwent a major refit in 2015 including new custom furnishings, soft goods, carpeting, upgraded state-of-the-art AV, and more.

FLY BOYS' warm interior décor provides ultimate relaxation and entertainment for all. The main saloon features an open layout with a formal dining area forward and lounge area aft. A feature of the yacht is her large family-style galley which is forward of the main saloon. The high-gloss cherry wood galley features an oversized island and cosy C-shaped banquette seating surrounded by 180 degree windows and panoramic views.

On the lower deck you will find accommodation for 10 guests in four spacious cabins. The full beam master cabin features his and hers en suite bathrooms connected by a large glass walk-in shower. A full beam VIP cabin can be found forward with a queen bed and en suite bathrooms. Two additional twin cabins each have a pullman berth and an en suite bathroom.

Full walkaround sidedecks allow easy access to all exterior areas, including a sun pad forward, and showcase the views. On the sun deck you will find a spacious al fresco dining and lounging area with sit-up bar and a fly bridge helm station forward. The sun deck aft provides a versatile space with tender and watersports storage and a crane for launching.

Powered by twin Caterpillar 1,400hp engines FLY BOYS has a cruising speed of 19 knots and a maximum speed of 23 knots. Her shallow 1.8m (6ft) draft allows guests to get up close and explore those sought-after shallow island waters. This US duty paid yacht is available for inspection and ready for her new owners.

Principales caractéristiques

Accommodation for 10 guests in four well-appointed cabins

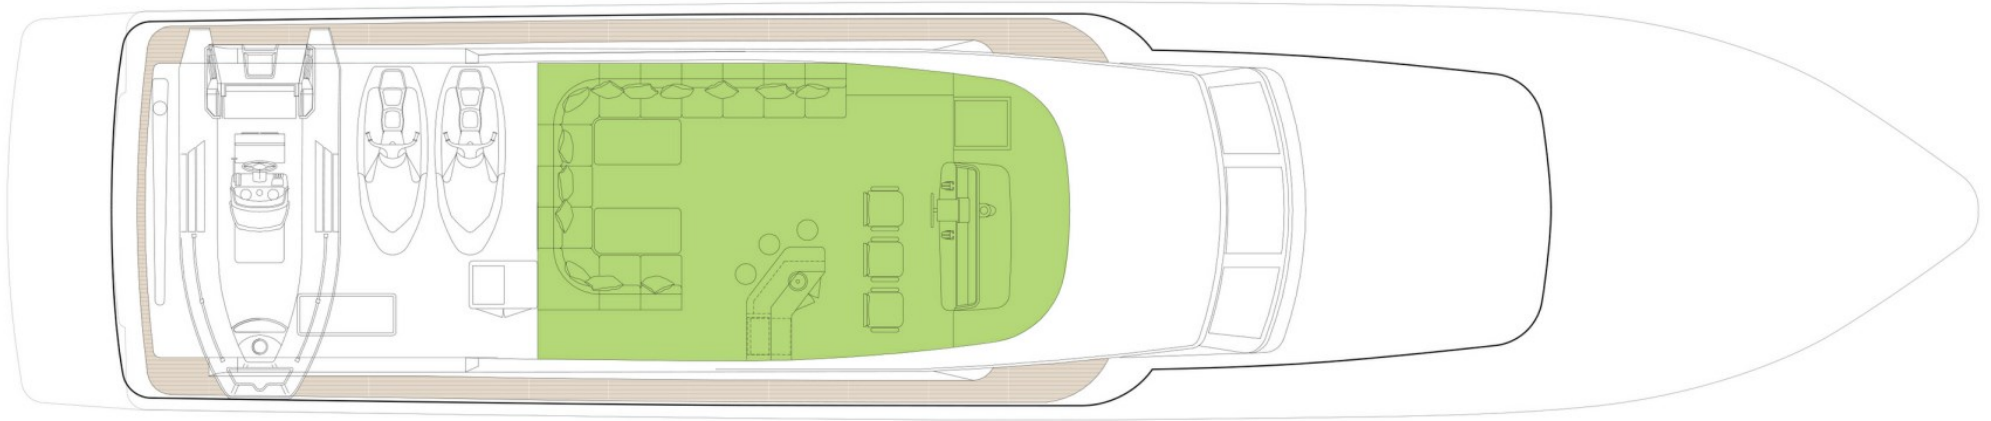

Large family-style galley with an oversized island and C-shaped banquette

Bright interior completely refitted in 2015 with high-gloss cherry wood and granite stonework

Shallow draft ideal for island hopping

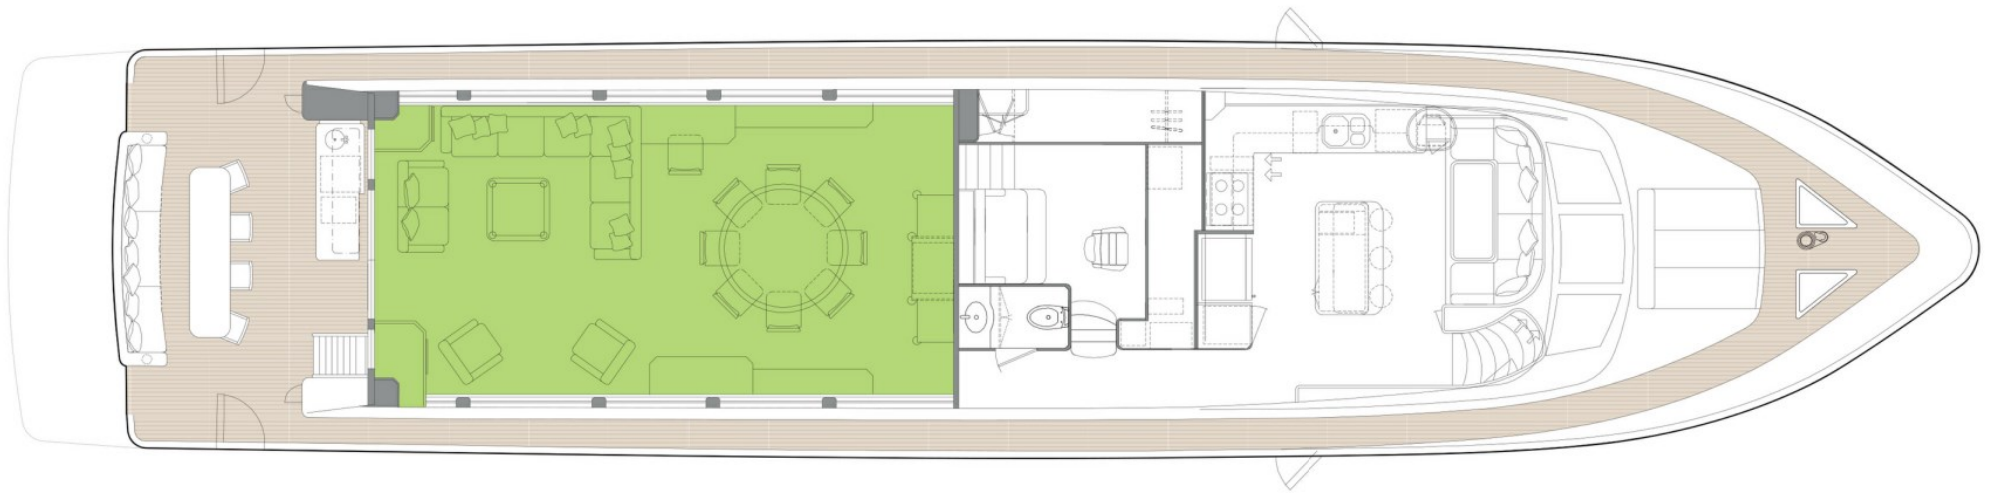

Spacious sun deck provides ample space for dining and entertainment
