FLYING DAGGER III

FLYING DAGGER III

APERÇU.

FLYING DAGGER III is a 49.87m Rossinavi fast-displacement motor yacht that blends standout style with serious performance, crafted entirely in aluminium and launched in 2018. Privately used and meticulously maintained, she presents in turnkey condition with a sleek, sporty profile and expansive glazing that floods the interiors with natural light. Designed for effortless passages, she reaches 27 knots and cruises comfortably at 18 knots, offering swift yet refined travel between anchorages.

Her interiors by Lazzarini Pickering are chic and contemporary, defined by neutral tones and clean lines that enhance the bright, airy feel throughout. Floor-to-ceiling windows frame the seascape in the main saloon, which combines generous lounge seating with a convivial dining area, while an upper lounge provides a relaxed alternative for pre-dinner drinks. Accommodation is for up to 10 guests across five beautifully appointed cabins: a full-beam principal suite with a private balcony, walk-in dressing and a spacious bathroom, plus four guest cabins on the lower deck, each with an ensuite.

Outdoor living is at the heart of FLYING DAGGER III's design. Multiple al fresco dining settings span the sun deck, main deck and upper deck, complemented by large forward sunpads with uninterrupted views. A generous beach club and broad swim platform sit at water level, creating a superb launchpad for toys and easy access to the sea, ideal for long, lazy days at anchor or active afternoons on the water. The result is a yacht that moves effortlessly between entertaining, relaxation and adventure, all executed with unmistakable Italian flair.
