# OVERVIEW.

**If you've ever dreamed of voyaging to distant, sun-drenched shores with a cocktail in hand and a tropical yacht rock soundtrack from Jimmy Buffett, this one is for you. FORE ACES was Jimmy's own private yacht and his muse in later life – she is the quintessence of the Caribbean cruising lifestyle. All of that aside, she's an elegant and tasteful 38m (124ft) tri-deck yacht with some excellent features and a unique, easygoing charm.**

FOUR ACES has refined modern-classic exterior styling with clean, crisp lines – she'll look great in your holiday photos. Her interior is an elegant, inviting and soothing place with fine craftsmanship clearly evident in the American cherry wood finish and touches of luxury throughout. She's designed to host up to 12 guests on board in a five-cabin layout, with service from a crew of six.

Key features include an abundance of outside living space with ample shade on all three levels, a superb and spacious main deck lounge, a master suite up front on the main deck, an excellent inventory of watersports equipment, and state-of-the-art stabilisers that minimise any rolling motion when she's anchored or under way.

Her sundeck has a jacuzzi pool with a big TV and a hardtop above for shade. The upper aft deck is a great open-air social hub with a sit-up cocktail bar and a nice arrangement of seating, lounging and dining areas. From here you can step straight into the skylounge, which is a cosy living room with comfy sofas and a huge TV – it's ideal for a cosy movie night on board.

The main deck aft is dedicated to al fresco dining with ten armchairs around a big table. Moving into the main deck lounge, you'll find another cocktail bar and a comfortable, elegant lounge, plus a stylish formal dining area up forward. There are excellent sea views from anywhere you might choose to sit and it's an open, airy space with plenty of natural light.

The master suite has a bright and relaxing feel, with two big windows on each side of the king size bed. Her other four guest cabins, all on the lower deck, are two doubles with queen size beds and two twins with extra pullman bunks, which are ideal for children. All cabins have their own private en suite bathrooms.

Her main guest tender is a 10m (34ft) powerboat that's fully rigged for fishing, with 700hp engines. She also carries a jet RIB for waterskiing, a giant water slide, SeaBobs, kayaks, paddleboards, inflatable tows and more.
