APERÇU.

Truly a timeless yacht, FOREVER is the first of a new series from Brenta Yacht Design and Riccardo Benetti of Benetti Sail Division Shipyard (BSD) in Viareggio. Her simple linear lines represent logic, hence the name LOGICA.

A break away from BSD traditional styling, this innovative, forward-thinking design is the result of the creative drawing board at Brenta Yacht Design. Her fluid, uninterrupted styling also enables generous interior volume, which creates comfortable, casual, social spaces.

Shortlisted in numerous international awards, FOREVER has an efficient design that boasts the prestigious RINA Green Plus yacht classification thanks to her environmentally responsible design excellence. Furthermore, the proven, smooth propulsion system is efficient, quiet and vibration free.

This unique, leading-edge yacht has caught attention throughout the superyacht industry. FOREVER is a beautifully proportioned, elegant, and fun yacht that has been built on a solid platform, by a reputable company; LOGICA defines perfection.
