

FORTITUDE 1

FORTITUDE 1

OVERVIEW.

Welcome to your sanctuary at sea. Delivered in July 2025, 44.1m (144.6ft) FORTITUDE 1 was designed to deliver the ultimate liveability on the water. The largest fibreglass model built at Benetti's Viareggio shipyard, this Italian superyacht seamlessly marries inside and out to create a feeling of harmony wherever you are on board.

Whether you're soaking up the sun on the expansive sun deck or sharing long lunches aft on the upper deck, every inch of FORTITUDE 1 is designed to bring people together. Sunrise yoga on the foredeck, an afternoon dip in the jacuzzi, sunset drinks in the panoramic sky lounge – the only limit is your imagination.

Inside, clean lines and refined materials like white marble complement the light colour palette. This, paired with floor-to-ceiling windows, create bright, inviting spaces that exude refined elegance.

With accommodation for up to 10 guests across five spacious cabins – including a serene full-beam master with its own private office space – FORTITUDE 1 flexes to match your group. Families, couples, friends – everyone finds their space here.

And when it's time to play? Dive into the action with jetskis, wakeboards and waverunners, or take it slow with paddleboards and kayaks, exploring hidden coves and tranquil bays. The beach club brings you right to the water's edge – your launchpad for adventure, or your private space to pause and soak it all in.

Key features

The largest fibreglass yacht ever built at Benetti's Viareggio shipyard
