FRANKLIE

OVERVIEW.

Custom 49m sport yacht built by world renowned Italian shipyard Rossinavi. With the exterior design penciled by Fulvio Di Simoni, this fast displacement yacht looks fast sitting still but will prove to be full of adrenaline at speeds of over 30knots while underway.

The free flowing minimalistic design is done in such a way to make this yacht feel like an extension of your home. Many costly details will go unnoticed but will add to the feeling you will enjoy throughout the yacht's spaces.

Having performance in mind throughout construction, every material specified was methodically tested against the weight ratios allowing this 160 foot yacht to glide along the sea at an astonishing 30+ knots.

FRANKLIE could be yours to enjoy starting this summer 2024 yachting season.
