FRANTMAR III

OVERVIEW.

One of the most successful charter yachts on our books since her 2017 refit and her refurbishment in 2022, G3 consistently gets five-star feedback from her guests. Island hopping at 17kn never felt so good.

The 44m G3 was built in 2008 by the renowned Dutch shipyard Heesen. Used only privately until 2016, her credentials as a charter yacht were enhanced by a comprehensive refit under new ownership. This included a stylish repaint, a new layout for the sun deck, a hugely popular beach club/gym with wet bar, a redesigned open-plan main lounge and dining room and state-of-the-art AV throughout, including a big screen outdoor cinema. Add to that a locker full of toys and a 10m (33ft) Intrepid tender with twin 350hp outboards for adrenaline-fueled fun, and you have the complete package for an unforgettable experience. G3 has more recently been updated with a full repaint and refurbishment during winter 2021/2022; she is looking immaculate and ready for charters!
