

FRIENDSHIP

FRIENDSHIP

APERÇU.

Launched in 2000 and refitted in 2015, FRIENDSHIP has become one of the top charter yachts on the market. With an enviable pedigree, the 52.8m (173.2ft) yacht was built by Oceanco, with naval architecture by The A Group and an interior design by Jean Pierre Fantini. With many unique attributes, including a split level master suite and the latest in AV equipment and amenities, she is the ideal choice for those looking to explore the world's finest cruising grounds in absolute luxury.

Guests boarding FRIENDSHIP from her swim platform will find a double set of steps leading up to the main deck. Greeted by an attentive crew of 12, settle into your accommodation in the main deck master suite, where you will be afforded breathtaking 180 degree views. This cabin also benefits from a private deck forward with a jacuzzi, and stairs leading down to a private study. Your guests will be shown to their very own comfortable rooms, which include three double and two twin suites on the lower deck.

Once all the guests are settled in, it's time to relax and kick back in style. FRIENDSHIP's design encourages nothing more than pure relaxation. Some guests may choose to head directly up to the flybridge deck where the entire space is dedicated to al fresco living. Take a dip in the jacuzzi surrounded by sun pads or on one of the loungers aft. When it comes to lunchtime, the upper deck is where it's at – with sumptuous seating and a large dining table, partially shaded by the overhang of the flybridge above.

Follow lunch with an afternoon of activities. Whether you choose to work out in the gym or dive into the water to play with her many toys, the crew on SUNRISE has it covered. The large swim platform provides easy access to her toybox, which includes jetskis, SeaBobs and plenty of towable toys. Alternatively, you could take the kayaks and paddleboards out to explore the coastline, donning your snorkel every so often to view the underwater world as you gently paddle along.

Back on board, as the children play in the playroom or watch a movie, take time to freshen up before a sundowner on one of her spacious aft decks, followed by either a casual al fresco dinner on the flybridge deck or a formal dinner in the main deck dining saloon. Whatever the occasion, with FRIENDSHIP's talented chef, rest assured your cuisine will be fresh and delicious, taking into consideration all your personal preferences.
