

GAME CHANGER

GAME CHANGER

OVERVIEW.

Calling all adventurers... GAME CHANGER is the ultimate expedition yacht to take you off the charts and discover the world rarely seen. Equipped for exploration in her high-tech submarine and helicopter, she travels the seas to the wildest reaches, while also offering luxurious living for you and your guests.

She has proved her calibre in circumnavigating the globe and now takes charters to the world's best diving and wildlife destinations. Her PADI diving set-up is ready for underwater adventures with equipment for 12 divers. Plus there is the three-person C-Researcher Submarine capable of deep dives to 1,140m, and a Saab Seaeye robotic rover to view wrecks at 1,000m down from the safety of the yacht.

Whether your destination is the Arctic, Galapagos or Great Barrier Reef, GAME CHANGER comes with numerous tenders to take you alongside sea lions, marine iguanas and nesting turtles with minimal interference to their habitat. You can also take the six-person Airbus helicopter for heliskiing or exploring deep into the rainforest.

When you are in the wilderness, you will benefit from the expertise of specialist explorers, divers and mountaineers. So there is accommodation for you to bring six of your own staff aboard. Plus, there are 16 highly-qualified crew to ensure that your charter itinerary will be beyond your imaginings.

With five chic modern cabins for your party of 11, you're assured that you will start the morning refreshed and excited. Gather in the open-plan saloon for breakfast - this lounge-dining space is flanked with enormous windows and flooded with light. In warm climates the upper deck hosts an al fresco dining space from which to enjoy bird's-eye views of your anchorage.

Each day offers a new adventure, and there will be time to unwind as well. There's the chance to take one of the tenders out for a day of deep-sea fishing and bring back your catch for chef to prep. Then the paddle boards and inflatable kayaks give you all the chance to chill out on the water. Don't forget the towable inflatables and SeaBobs for pure fun!

By night fall you will be star-gazing at skies clear of any light pollution, and feeling a million miles away from your normal life. Give yourself the opportunity to reconnect and explore aboard this remarkable charter yacht, with the same insatiable curiosity and wonder of the great adventurers before you.
