

GATSBY

GATSBY

OVERVIEW.

Explore the year-round cruising paradise of The Bahamas, a well-sheltered oasis with over 700 idyllic islands, on board this chic, contemporary Italian yacht. This pristine 2021 delivery is packed with the latest toys and her four experienced crew have the sole aim of making your every day the best ever.

Your day begins in the main deck master suite where the blinds roll up to reveal picture-postcard views through huge windows on three sides. After freshening up in your en suite and choosing what to wear in your dressing room, you join the rest of your party on the main deck aft for a delicious breakfast prepared to your requirements by the yacht's talented and versatile chef.

After talking through the day's exciting plans with the captain over coffee, the crew has prepared the watertoys for a morning's fun on the water. Whether it's adrenaline-fuelled thrills on the yacht's 230hp Sea-Doo and inflatable toys towed by the yacht's tender, or more relaxed exploration by SeaBob, paddleboard or kayak, the morning flies by.

Lunch is transformed into a chef's table experience on the flybridge with grilled fish caught that morning by the crew and other delights. The louvred hardtop is closed to keep the midday sun at bay and a gentle breeze cools you and your guests.

After lunch the next dreamy anchorage awaits and while the captain and crew guide GATSBY towards it, there are many options on how you spend the time. You can choose the foredeck's lounge and sunpads to watch the world go by and feel the wind in your hair, sunbathe in the flybridge sun lounge, watch a movie in the air-conditioned comfort of the lounge or retreat to your suite and scroll through your socials thanks to the Starlink Wi-Fi.

The yacht's 24-knot cruising speed means you arrive in no time and, as the sun begins to set, everyone gathers on the flybridge for sunset cocktails. You have many evening dining options.

Will you celebrate a special occasion on the yacht's formal dining room or take the tender ashore to check out the resort's bars and restaurants? If you've chosen a secluded anchorage, the crew can prepare a beach BBQ so you can dine beneath the stars with your toes in the sandy shoreline, or just enjoy your surroundings as you dine in relaxed style on the main deck aft.

As night falls and the music fades, it's time to head down for a restful night so you're ready to do it all again tomorrow. What could be better?

Key features

Luxurious modern furnishings

Master cabin with private entrance

Spectacular foredeck with oversized sun pad

Up to date technology including Starlink system

Convenient pullman in twin cabins

Spacious master cabin with walk in wardrobe
