OVERVIEW.

The Custom Line Navetta 26 Crescendo GIADA offers a rare opportunity to own one of just eight models ever built in this series. Delivered in 2013, she is presented in turnkey condition and ready for her next chapter.

Her exterior design by Zuccon International Project reflects the timeless elegance that defines the Navetta range. Inside, the interiors by Zuccon combine contemporary sophistication with relaxed comfort. Light oak finishes, expansive panoramic windows and bespoke detailing create a bright, welcoming atmosphere throughout. The main salon stands out with oversized windows, a grand piano and generous seating that invites both socializing and quiet relaxation.

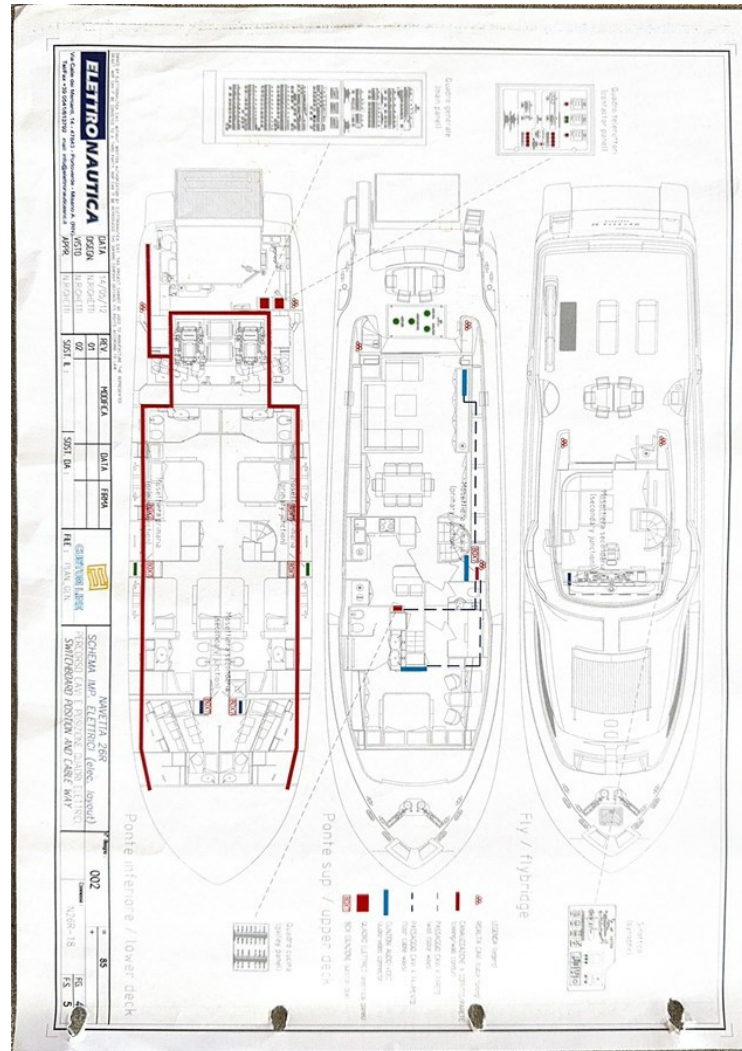

GIADA accommodates up to 10 guests across five cabins. The main deck features a spacious master suite. On the lower deck there is a double cabin, two twins with Pullmans and a fifth cabin currently configured as a cinema and TV room that can be converted into a cabin. Four crew members are comfortably housed, ensuring seamless service on board.
