GRANDE 44

APERÇU.

GRANDE 44 is a 44m(144.3ft) motor yacht built by Azimut. She is of GRP construction. Her exterior design is by Albert Mancini and luxurious interior by M2Atelier.

She can accommodate 12 guests in 6 cabins. Grande 44M sets a new benchmark in the industry by introducing a concept not previously seen: a superyacht that combines reduced CO₂ emissions with a striking four-deck layout, featuring bold, flowing lines in place of the conventional three-deck configuration. In addition, GRANDE 44's upper deck, can either feature a sky lounge or be transformed into a private deck dedicated to the owner. A defining feature of GRANDE 44 is the mezzanine deck, which incorporates a sea-facing terrace on the aft main deck. Featuring a transparent infinity pool, the design enhances the connection to the surrounding seascape while allowing natural light and shimmering reflections to illuminate the expansive beach club below. As far as the upper deck is concerned, owners also have the flexibility to transform the space into a media room, a dining area for 12 guests, or a lounge with a cozy firepit.
