HARLE

# OVERVIEW.

**HARLE is a yacht full of fabulous surprises making her a wonderful choice for families that want it all.**

This ingeniously designed shape-shifting yacht offers her guests a charter experience they might expect in a yacht 10m longer. The bridge deck for example was designed with a number of activities in mind. The sky lounge connects guests to nature through huge picture windows and glass doors fold away so the space flows into the bridge deck aft. It can be configured as a nightclub, a home cinema or e-gaming room, a grand formal dining room, a series of lounges from large to intimate and a whole host of other uses.

The sun deck has a large jacuzzi forward, sun loungers aft, a BBQ grill, an al fresco dining table that expands to seat all guests or contracts for snacks when you want more space. There's a large TV too for must see sports events or movies under the stars and removable awnings provide sun or shade as you wish.

On the lower deck, once the huge swim platform folds down and all the toys are unleashed, the tender garage can become a beach club, a fitness area with exercise equipment or a wellness centre for massages and treatments.

All four guest cabins, each a convertible twin/double, are on the main deck and bathed in natural light through three full height windows. The full beam master suite is also gloriously lit by a huge skylight above the bed and the jacuzzi in the en suite, and the en suite can be transformed into a day spa for peerless pampering.

Add to that a exceptional crew hospitality and a very talented chef and you have everything you need for a very special holiday afloat.
