HEEUS

# APERÇU.

**A brand new 44-metre (145ft) explorer yacht, HEEUS is impressively equipped and offers highly refined tri-deck accommodation for 12 or 14 guests, with a huge amount of living space. Based in Cannes for her début charter season, her bold and beautiful presence will be turning heads this summer along the Riviera, around the Western Mediterranean – and probably far beyond. State-of-the-art hybrid power systems enable her to sail in silence for a few hours at a time, and to lie at anchor for extended periods with no noise and zero emissions.**

She carries an international crew of nine to ensure the availability of top-class service for all guests at all times. Her inventory of boats and watersports equipment is extensive, with three tenders including a nine-metre (30ft) chase boat, fleets of jet skis and SeaBobs, a wide range of towables and inflatables, specialist setups for various types of sport fishing, and everything needed for a dive expedition including six sets of scuba gear and a compressor. Her large beach club provides a shady place to relax at sea level amid all the watersports action, plus a hammam.

The sun deck is ideal for both days and nights at anchor. There's a large jacuzzi and a sit-up bar with a barbecue grill, casual and formal seating in lounge and dining areas, gym equipment and exercise machines for your daily workout, and a superb outdoor cinema.

Her upper deck lounge is a smart and stylish lounge with a backlit onyx bar, extra-large wine coolers and an 85-inch cinema TV. There's a big dining table on the upper aft deck, which offers a vast expanse of space for entertaining when the tenders have been launched. The main deck lounge is a spacious, comfortable lounge, great for entertaining or family gatherings, with an elegant dining area.

Up front on the main deck, the master suite has a separate office, a very large en suite bathroom with a steam shower and a bathtub, a dressing room with a walk-in closet and a spacious full-beam cabin with a king size bed and sofa. The other guest cabins include two VIP suites, two convertible double/twins with extra pullman berths and an additional double/twin cabin.

A true go-anywhere yacht, she has the capability and technology for to turn your ocean cruising ambitions – whatever they may be – into a luxurious voyage of adventure.
