IDYLLIC

OVERVIEW.

IDYLLIC is a splendid 59m (193ft) yacht built by Benetti and elegantly refitted in 2021–2022. With a discreet, highly professional crew and refined craftsmanship throughout, she offers an exceptional charter experience for the most discerning of charterers.

The recent refit has transformed her interior into a bright, contemporary haven, where modern and stylish details combine to create a light, welcoming atmosphere. Lift access from the sundeck to the lower deck ensures seamless movement between her decks.

Guests will find suites on three of IDYLLIC's decks. On the lower deck, four double guest suites provide luxurious comfort. Two aft double VIP suites feature spa baths with showers, while the two forward cabins have showers and pullman bunks. On the upper deck, a double VIP suite benefits from expansive picture windows, an en suite bathroom, a separate seating area, a walk-in dressing room and a king-size bed. The main deck master suite is a light, stylish area with a pop-up TV, light furnishings and a modern feel with a classic edge. The signs of fine craftsmanship shine through. Ahead are stairs that lead to a private office with panoramic views forward.

Aft of this palatial suite, the main deck lounge is designed for relaxation and entertaining. From the main lobby, you enter the formal dining area. The expansive lounge has L-shaped sofas that guard the walkway to the cockpit. You'll find forward-facing U-shaped seating and stairs to the upper deck here.

The aft deck features seating that spans the aft deck, enclosing the elegant al fresco dining area. Moving forward, the recently refurbished sky lounge, complete with games tables, a TV lounge and a cocktail bar, has all you need for long social evenings with friends and family.

The sundeck presents a refined retreat with a forward jacuzzi, a social seating area with a wet bar and an al fresco lounge boasting a raised sun lounger at the aft. A cosy lounge beneath the hardtop, fitted with a pop-up 75in TV, sauna and exercise equipment, ensures further relaxation.

For the water lovers in your group, a vast collection of watersports equipment awaits – accessed via floating platforms and includes a 7.0m Launch, tenders, Sea-Doo RXT, SeaBobs, an eFoil, towables, paddleboards, kayaks, waterskis and more.
